Porsche 997.1 Carrera 4 Cabriolet

Price on request

- Terracotta interior
- Tiptronic automatic gearbox
- Recent oil change and brake discs
- Lovely and affordable 911

This classic 997 Carrera was delivered new in Sweden and arrived in Belgium around 2011 and has been with the same owner since. This example sports the classic Arctic Silver exterior over Terracotta leather interior.

This convertible comes with original maintenance books, history and both original keys. A classic 911 in Arctic Silver equipped with some nice interior options including the famous Sport Chrono. The front right fender was repainted with us in the past due to parking damage. Albeit the higher mileage the car still presents very well; interior has only lighter traces of use and paint has an even gloss and shine.

The car was just serviced including replacing rear brake discs.

A beauty to see, a great driving and tight steering sports car from our beloved and cherished brand. Plenty of power available with its 325 HP for wonderfully relaxed cruising or for sporty driving. A lovely and affordable convertible to enjoy during summer or even all year round.

This car is currently registered in Belgium and is sold on behalve of the customer.
